TECHNICAL UNIVERSITY
OF CLUJ-NAPOCA

MTeM 2011

10th INTERNATIONAL CONFERENCE
**MODERN TECHNOLOGIES
IN MANUFACTURING**

Cluj-Napoca
Romania
6th-8th October 2011

INVITATION

The Department of Manufacturing Engineering (Faculty of Machine Building) of Technical University of Cluj-Napoca, warmly invites you to attend

the 10th INTERNATIONAL CONFERENCE ON MODERN TECHNOLOGIES IN MANUFACTURING

The Conference will be held with the main support of:

Romanian Ministry of
Education and Research

Dacia Renault
Automotive Co

Cluj-Napoca
Local Council

Destaco

CONFERENCE OBJECTIVE

The main objective of the conference is to offer the frame of a higher-level academic meeting allowing a fruitful exchange of information and expertise in the field of machine-tools and manufacturing techniques. The organizers also encourage the young researchers and PhD students to take part in the conference.

GENERAL INFORMATION

The MTeM Conference is regarded as a high-level ranking conference in the promotion of research and teaching in Manufacturing Engineering. Being established 55 years ago, the Technical University of Cluj-Napoca is the most important Transylvanian technical university, with its 8 faculties and 53 departments. A total number of 750 academic staff and 12000 students are currently involved in training and research activities.

The first MTeM conference was organized in 1991:

MTeM 1:	26-27 September 1991	Cugir
MTeM 2:	14-16 October 1993	Cugir
MTeM 3:	12-14 October 1995	Cugir
MTeM 4:	22-24 October 1998	Cluj-Napoca (in cooperation with DAAAM International)
MTeM 5:	04-06 October 2001	Cluj-Napoca
MTeM 6:	02-04 October 2003	Cluj-Napoca
MTeM 7:	06-08 October 2005	Cluj-Napoca
MTeM 8:	04-05 October 2007	Cluj-Napoca
MTeM 9:	08-10 October 2009	Cluj-Napoca
MTeM 10:	06-08 October 2011	Cluj-Napoca

CONFERENCE TOPICS

• Manufacturing engineering • Gearing • Assembly and disassembly • Quality assurance • Automation of manufacturing systems • CIM • Process control • Processing of plastics and composite materials • Hardware and software components of manufacturing systems • Concurrent engineering • Environmental Engineering • Rapid Prototyping • Computer aided simulation of manufacturing processes • Expert systems • Flexible intelligent manufacturing systems • Cold metal forming techniques • Nonconventional technologies.

PARTICIPATION FEE

- Registration before 26 August 2011	150 EUR
- Registration after 26 August 2011	170 EUR
- Accompanying person (excluding the welcome party for which the fee is)	free
- Students, incl. Ph. D. students	30 EUR
- Exhibition booth, incl. Reg. Fee for 1 person	70 EUR
	300 EUR

Note!

Authors pay the same registration fee as participants. The Registration Fee includes:

- The Conference programme of papers, Conference Proceedings
- Refreshments + 2 lunch
- Opening Ceremony and Welcome Party
- Admission to all sections and all demonstrations

IMPORTANT DATES

21st March 2011 Today	Sending the Participation Form
04th April 2011 One day after submission	Confirmation of receiving the Participation Form and sending the Instructions for authors
30th June 2011 05th August 2011	Submission of the papers (four A4 format pages including tables and figures)
30th July 2011 19th August 2011	Scientific Reviewing and sending out the observations of review committee
1st Sept. 2011	Sending the camera ready

OFFICIAL LANGUAGE OF THE CONFERENCE

The official language of the conference is English. No simultaneous translation will be provided. The papers submitted to the conference must also be written in English.

CONFERENCE VENUE

The conference will be held in Cluj-Napoca in the Student's Culture House.

SIGHTSEEING

The Conference includes social events such as: a trip in Cluj with the presentation of the history and culture from Transylvania, followed by the presentation and tasting of the most famous wines of this region. Theatre and opera plays, in Romanian or Hungarian language, or symphony concerts can also be attended.
